SAURABH SARASWAT

saurabh45215@gmail.com | +91 93437 19054 | Englishpura, Bhopal, M.P.,India

github.com/ss0809 | https://blog.saura8h.top/ | linkedin.com/in/ss0809

EDUCATION

Technocrats Institute of Technology

B.Tech. - Computer Science and Engineering   November 2021 – August 2025

CGPA: 8.04

TECHNICAL SKILLS

C++: Object Oriented Programming, Structured Template Library

Java: (Basics), Multithreading

Operating Systems, DBMS, Computer Networks, System Design

PROJECTS

ChalakSaathi | github.com/SS0809/proximity

A reliable vehicle assistance app built with Android, Redis, and AWS Lambda, offering secure and scalable support for drivers.

BLean | github.com/SS0809/blackhole

A user-friendly gym management application providing seamless multi-platform functionality, powered by Flutter, MongoDB, JWT, and AWS Lambda for secure and efficient operations.

Go OOT Core | github.com/moviemultiverse/core | github.com/SS0809/blackhole

An advanced video management server and movie application that combines the power of Flutter, MongoDB, GraphQL, Java, and Google Drive APIs for an efficient and engaging user experience.

COMMUNITY PROJECTS

PlayMe - Music Streaming Server | github.com/SS0809/musicplayer

A feature-rich music streaming server built with PHP, PostgreSQL, and YouTube APIs .

PortfolioBuilder - Portfolio Generation Server | github.com/SS0809/PortfolioBuilder

A server developed using PHP and MySQL, designed to create and professional portfolios efficiently.

ACHIEVEMENTS

- Solved More than 80+ questions on CodeChef
  codechef.com/users/saurabhs45215
- 5 stars Gold Badge for C++ programming on HackerRank
  hackerrank.com/profile/saurabh45215
- Solved more than 85+ problems with max 50 days streak badge on LeetCode.
  leetcode.com/u/saurabh45215/
- More than 2500+ commits on github across different repositories
  github.com/ss0809

CERTIFICATIONS & BADGES

Hacktoberfest 23 – Contributor - Level (0 - 4)

Google - Foundations of Cybersecurity

Postman - API Fundamentals Student Expert

Lumenore – Fundamentals of BI and Analytics
